

6516209430.txt

Once more you people are trying to stand in the way of progress. It seems that your idea of a "free enterprise system" is to see how much money you can get from special interest groups for your personal coffers, instead of doing what is right for "we The People". If the NBA can't stand against a little FAIR competition, then maybe THEY need to find a better way, as Satellite Radio has, and stop crying. Let the free market system work.
